petrochemical units are concerned, Indian Petrochemicals Corporation Limited (IPCL) is running educational institutes at Baroda and Nagothane, mainly for the benefit of their employees. Their details are as under:—

(i) Pre-Primary, Primary and Secondary Schools at Nagothane are managed by Deccan Education Society.

(ii) One Primary, Secondary and Higher Secondary Schools at Baroda are run by IPCL. In addition a Pre-Primary and a Primary and Secondary Schools established at Baroda are run by separate trusts.

These institutes admit outside students from surrounding areas depending on the availability of seats. However at Nagothane, admission is available to outside students subject to maximum of 20%.

The fees recovered from employees of IPCL for the education of their children are governed by agreements with the Trade Unions. In case of other students, the fees charged are generally in line with those fixed by the State Governments for non-grant-in-aid institutions. The entire expenses of running schools, other than those run by trusts, are borne by IPCL.

Implementation of Molasses Decontrol Order

476. SHRI B. K. HARIPRASAD: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that the implementation of the recently enacted Molasses Decontrol Order has been tardy and lacking in direction;

(b) whether it is also a fact that the decontrol of molasses has resulted in closure of many chemical units as also cattle feed units; and

(c) what steps are being taken to eliminate the confusion prevailing over the implementation of the Molasses Decontrol Order?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI EDUARDO FALEIRO): (a) to (c) The Molasses Control Order, 1961 which has been rescinded on the 10th June, 1993 provided for control over movement and price of molasses. After it has been rescinded, no Central Control Order for molasses is in existence.

There is no report of closure of cattle feed units. However, a few chemical units are reported to have closed down but this is not necessarily due to decontrol of molasses only.

Dumping of Bulk Drugs of Chinese Origin in India

477. SHRI B. K. HARIPRASAD: Will the PRIME MINISTER be pleased to state:

(a) whether Government are aware of the fact that dumping of bulk drugs of Chinese origin in the Indian markets is causing concern to domestic producers of bulk drugs;

(b) whether Government have received any representation from the Organisation of Pharmaceutical Producers of India (OPPI) pleading for imposition of anti-dumping duty on bulk drugs of Chinese origin; and

(c) if so, what is Government's reaction thereto?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI EDUARDO FALEIRO): (a) to (c) There are reports from drug manufacturers and their Associations alleging dumping of bulk drugs of Chinese origin in the Indian market which is causing concern to the domestic producers. In this context, a representation from Organisation of Pharmaceutical Producers of India (OPPI) and Indian Drug Manufacturers Association (IDMA) has been received. They have been advised to approach the Designated Authority for Anti-Dumping in the Ministry of Commerce with complete information.
